## Nurse Summary

- Compassionate nurse with 7+ years of experience in various clinical settings with a track record of over 95% patient satisfaction rate.
- Achieved a 97% patient satisfaction rate, exceeding the target rate of 90%, at Central Medical Center.
- Reduced falls by 30% at MVM Health Network by implementing and monitoring a fall prevention protocol, resulting in a safer patient environment.
- Named Volunteer of the Month 3 consecutive months at American Red Cross.

## Work History

### Registered Nurse Central Medical Center

September 2020 - Present

- Managed a patient load of 8-10 patients per shift in a busy medical-surgical unit, ensuring timely and efficient care delivery.
- Achieved a 97% patient satisfaction rate as measured by HCAHPS surveys, exceeding the hospital's target of 90%.
- Reduced readmissions by 20% by collaborating with interdisciplinary teams to develop and implement effective care plans.

### Charge Nurse MVM Health Network

February 2018 - September 2020

- Coordinated care for up to 35 patients per shift in a long-term care setting, supervising and delegating tasks to nursing assistants and other staff.
- Reduced falls by 30% by implementing and monitoring fall prevention protocols, resulting in a safer environment for patients.
- Developed and implemented an education program for nursing assistants, resulting in a 90% reduction in medication errors.

### Registered Nurse Northwestern Hospital

June 2016 - February 2018

- Assisted physicians in outpatient procedures, including administering medications, monitoring patients, and providing patient education.
- Maintained accurate and detailed patient records, ensuring compliance with HIPAA regulations and clinic policies.
- Improved patient education by developing and implementing a diabetes education program, resulting in a 40% improvement in patients' self-management skills.

## Education

### Bachelor of Science - Nursing University of Vermont
